NON-CONFIDENTIAL SUMMARY OF INFORMATION: The information redacted contains proprietary data relating to various aspects of the rig’s communication system, including Equipment Name, Make, Model and Serial No. of each piece of equipment. The communication system equipment falls into two categories: (1) Global Maritime Distress and Safety System (GMDSS) and (2) Electronic Aids in Navigation. Additionally, a summary is included in the Appendix outlining compatibility of the rig’s communication system with the Operator’s communication system.
